Years of Service

100% Volunteer-Run — Zero Salaries Paid — Every Dollar Stays Local

Our Mission & History

Dance for the Cure is dedicated to providing immediate, direct financial assistance to local individuals undergoing treatment for breast cancer. By helping to remove financial barriers, we allow patients to focus on their most important task... Healing.

Founded in 1999 by dance educators Kathleen Cirioli (a 3-time cancer survivor) and Joanne Liscovitz, our grassroots effort has grown into a vibrant, community-powered organization fueled entirely by volunteers and donor generosity.

Contact Information

Your partnership ensures our neighbors never lose hope. Every gift, no matter the size, helps.

Signature Programs

- **Ribbons of Hope**
Our premier annual fundraiser; a moving October evening featuring dinner, raffles, and celebrating survivors.
- **Tie the Town Pink**
In 2025, 54 central New Jersey towns decorated municipal complexes with pink ribbons in a massive visibility campaign.
- **Pink Bow Project**
400+ symbolic bows proudly displayed at local businesses in Hillsborough, Flemington, Martinsville, Somerville, and Raritan.
- **Pink Ribbon Tribute**
Personalized 2-foot tall signs displayed at Hillsborough Municipal Complex each April to honor loved ones.

Why Your Support Matters

The Rotary Club's "Service Above Self" mirrors the mission of Dance for the Cure. A breast cancer diagnosis brings financial strain beyond medical treatment. Your support provides direct relief to local patients, helping them focus on healing with greater peace of mind. ❤️
